WE wish at this time to thank our customers for their liberal patronage of past seasons and respectfully solicit future orders.

For over 26 years we have been serving a long list of patrons, and rank as one of the larger growers in the country.

Buy with confidence from a nursery with over 26 years of growing experience. We shall do our very best to please you with quality stock and service.

SCHEDULE OF B&B CHARGES

The following charges are made to cover additional cost of balling and burlapping deciduous trees and shrubs that are not listed B&B.

These charges are based on a carefully dug, solid ball of earth, laced with rope and handled according to the best nursery practice.

TREES, SHRUBS AND SMALL TREES

LINING OUT STOCK

We feel that the best is none too good. The stock that we have to offer is just such material as we would expect if we were buying it. Our growing season has been almost perfect and these liners have been grown with the aid of irrigation which we feel makes a hardier plant.

EXPLANATION OF GRADES: We are listing our liners in grades by the number of years they have been growing under the lath screens; for example, 1 yr. means 1 year in outside beds. 2 yr. would be 2 years outside, etc. The figures in front are approximately what we have to offer.

TERMS AND CONDITIONS OF SALE

This list cancels all previous quotations. All agreements and contracts are made subject to crop losses through unavoidable causes.

THE PRICES in this list are based upon present market conditions and are subject to change without notice. These are wholesale prices and apply only to wholesale quantities; in no case will we fill retail orders even from nurserymen. All orders should be made up of 10's or multiples of 10.

TERMS. 30 days net, 2% discount 10 days, from date of shipment. Interest at 6% per annum to be paid after maturity. These terms are offered to those of established credit. Cash, security, or satisfactory references are required from unknown parties. All shipments are F. O. B. Lincoln, Delaware, unless otherwise agreed.

SHIPPING. Customers are requested to give definite instructions for shipping. In the absence of special instructions we will use our own judgement, but with the distinct understanding that it is without responsibility on our part. All shipments travel at the risk and cost of the purchaser.

BOXES AND BALES will be charged at actual cost.

CLAIMS for any cause must be made promptly on receipt of goods. Any stock that is not exactly as represented must be reported promptly and on authority should be returned to us immediately. We will cheerfully and without question credit back the unsatisfactory plants, or send others; but we will not entertain claims made after goods have been once accepted, or when report is not made within ten days after arrival of the stock.

LIMITED LIABILITY AND NON-WARRANTY. We express or imply no warranty as to productiveness or life of the stock we sell. It is mutually agreed that our liability for untruthfulness to name is confined to free replacement or refund of purchase price.

INSPECTION. Certificate of inspection will be furnished with every shipment.

SPECIAL NOTICE. Correspondents are requested to use their printed business letterheads. We do not quote price to retail buyers. We use every effort to limit the distribution of trade prices to those whom we know to be entitled to receive them.

LOCATION. We are located on U. S. Route 113, 4½ miles south of Milford, Delaware. We would be pleased to have you call and look over our nursery which covers about 150 acres.

TELEPHONES. Milford 4445 or 4698.
